Welcome to our course guide 2011/12

Welcome to Adult and Community Learning in the Wakefield District. Our courses and programmes offer a wide choice of curriculum for local people. Courses and qualifications are delivered in community centres, schools, children's centres and on employer premises.

You can find out what is available in three ways: this brochure, our website or by contacting one of the centres to discuss your needs with a member of the centre support team.

There are many ways we can support you to access learning including financial help in some circumstances. Please contact your local centre

for more details.

Cost should not be a barrier to participation: if you need help, please ask for it.

We hope you find your learning with us enjoyable and successful. Help us to improve our provision by giving us feedback. You can do this in several ways - through your centre, through the learner survey in your centre or on-line or through focus groups along with other learners. Your views really do matter to us.

Stephen Crofts
Service Manager Adult & Community Learning

Equal Opportunities

We are committed to ensuring that all members of the community have equal access to our programmes and an equal chance to succeed within them.

We believe that qualities such as sex, race, age, disability, sexual orientation, social status, or previous educational experience should not affect people's capacity to benefit from adult education.

We take active steps through a range of centres and other partners to involve learners from under-represented groups. We also seek to support access to our provision through, for example, our charging policy, some crèche provision and through improving access for disabled people.

How to join a class

How to enrol

For up to date details of courses on offer from the Adult and Community Learning Centres in the Wakefield District, you can visit our website at www.wakefield.gov.uk/Education/AdultEducation

- 1 Decide on the course you are interested in, see the course listings in this brochure. If an "1" or an "A" appears in the assessment column you will need to arrange to attend for an interview or an assessment at your chosen Centre.
- 2 Contact your chosen centre for a course information leaflet or look on line.
- 3 Complete an enrolment form - available via your chosen centre.
- 4 Return the completed and signed enrolment form to your chosen centre in person or by post together with the correct fee for the course if applicable or evidence of eligible benefits (see opposite.)
- 5 You can pay by cash, cheque or visa.

Preference will be given to local Wakefield district residents when a course is oversubscribed.

Not all courses are available for 16-18 year olds. Please check with your centre at enrolment.

GOOD NEWS

NVQ Level 3 Business & Administration Amanda Gibbons - *new job*

Amanda Gibbons of South West Yorkshire Mental Health Trust (SWYMHT) successfully completed her NVQ Level 3 in Business and Administration in September 2010. Completing this qualification gave Amanda the final 'push' to apply for a new job working as a Personal Assistant to the Professor of Child Health at Leeds General Infirmary. Amanda has taken up her new post and is hoping this will provide her with some exciting new opportunities and challenges to develop her own skills and abilities.

Well done Amanda

Fees

- Are listed under the entry for each course
- Usually includes 1 exam attempt
- Exam fee plus £10 admin fee will be charged for each re-sit
- Specific courses have additional fee or registration charges. Please check with your chosen Centre or course information leaflet.

Art and Craft Courses

Some Art and Craft courses make an additional small charge for basic resources used in class. Please refer to the relevant course information leaflet for additional charges or ask your chosen centre.

Fee remission - Free courses

Course fees are not charged (full fee remission) in 2011/12 for:

- Learners of all ages studying for their first full Level 2 qualification;
- 19-24 year olds studying for their first full Level 3 qualification;
- Level 3 "jumpers" of all ages (those taking a full Level 3 without having a full Level 2 qualification);
- Learners without a full Level 2 studying an Entry or Level 1 qualification.
- Learners studying literacy and numeracy qualifications, excluding GCSEs;

- 16-18 year old learners studying a vocational course.
- Those people who are on Job Seekers Allowance (JSA) or Employment Support Allowance (ESA) in the Work Related Activity Group.
- WMDC residents who are over 60, studying a non vocational course (marked NV in course title) and in receipt of a means tested benefit listed below:
 - Income Support
 - Council Tax benefit
 - Housing benefit or local housing allowance
 - Pension Guarantee Credit
 - An unwaged dependant of one of those listed above.

Please bring in your official benefits documents when you enrol. If you posted photocopies earlier we need to see the originals before the start of your course.

You may be eligible for fee remission or help with course fees and other costs of learning. There is a learner support fund which may cover some of the costs related to your course if you have a proven low income. Ask your centre for details and an application form.

English for Speakers of Other Languages (ESOL) - Fee Charges

For all ESOL learners, including those in the workplace, the following charges will apply:

- Learners who enrol for a full year course in the autumn term (3 terms) = £195
- Learners who enrol for a course in the spring term (2 terms) = £130
- Learners who enrol for a course in the summer term (1 term) = £65

Additional Learning Support

Wakefield Adult and Community Education Service (ACES) is committed to supporting all learners to succeed in their chosen course and additional learning support is available for all learners on qualification based courses - please speak to the course tutor or centre organiser to arrange. If you are attending a creative or leisure course please note the service is no longer able to provide specialist support but continues the commitment to offer general support with a member of non-teaching staff or volunteer, when possible.

ACES Support for employers

Wakefield Adult and Community Education Service (ACES) is able to offer employers a range of opportunities designed to help them through the recruitment and training process.

We offer:

- Learners looking for work experience placements with employers
- Learners and potential apprentices looking for employment and can help match your vacancies
- Specific pre-employment training for our learners or your applicants so you know people are ready for interview
- Health and Safety checks by our Institute of Safety and Health (IOSH) trained staff so you know your premises are likely to be appropriate for our learners
- Organisation Training Needs Analysis so you know your best training options
- **FREE** support for employees who are at risk of redundancy
- **FREE** Information Advice and Guidance (IAG) service for employees
- **FREE literacy and numeracy courses**

We have previously and are currently using Wakefield's Adult Education training for our workforce NVQ training. We are very happy with the progress that is being made, the assessors assist in any way possible and are always to hand if needed. We shall look forward to using the service again when needed in the future. **EMPLOYER QUOTE**

GOOD NEWS

First Steps - IT Course, Next Steps A new job for Hayley Townend

Hayley enrolled on the First Steps in IT course at Airedale Library and Learning Centre in September.

At the first session Hayley said she was joining the class to try and catch up with her daughter who uses the PC at home for her school work. Hayley said she had no idea of how to use it herself before she came to the class and felt that she didn't want to be left behind in the 21st century. After a couple of sessions Hayley soon picked up the basic mouse and keyboard skills and her confidence grew. In fact due to her increased confidence Hayley decided to use her new skills to apply for a job as a Centre Assistant at the Five Towns Centre through the Future Job Fund. Although she was nervous about going for the interview and thought the other candidates may have more IT skills than her she was successful in the interview and got the job - which was fantastic news.

Since then Hayley has enrolled on the Next Steps in IT course and her Word Processing skills are really developing. Hayley really enjoys her classes and at one session said she wished the class was all day as she loves using the PC so much. Fortunately her new employers are enabling Hayley to continue with her studies so she can complete her IT qualification and improve her IT and work skills.

Well done Hayley,

Tutor Gilly Asbery is really proud of her learner's achievements.

Minsthorpe Community College - Adult Education

Learner Barbara Schofield - new career

Barbara began her new career by attending an introductory beauty class run by our beauty tutor, Juliana Gilmartin.

Attending this taster course gave Barbara an incentive to learn more. Using the support of her tutor, Juliana, and the staff at Minsthorpe Community College, Barbara enrolled and successfully completed the Level 2 NVQ in Beauty Therapy. She has progressed even further and is studying the Level 3 NVQ in Beauty Therapy (Massage). Barbara now travels out and

Teacher and Assessor Training

If you're thinking about teaching as a career or moving into assessing or internally verifying NVQs at work, Wakefield Adult & Community Education Service can offer you a range of courses to help your professional development. Interviews will be arranged on receipt of completed applications. Contact Manygates Adult Education Centre on 01924 303302 for an application pack.

7303 Preparing to Teach in the Lifelong Learning Sector (PTLLS) & 7304 Certificate to teaching the Lifelong Learning Sector (CTLLS)

This is a first level course (7303 PTLLS) and is suitable for anyone who wants to move into teaching in the Lifelong Learning. The course is ideal for those who have appropriate qualifications in their own subject area but no teaching or training experience or for those who currently have limited teaching commitments and want to begin to work towards teaching qualifications. On completion of PTLLS learners will have gained 6 credits towards full Diploma in Teaching in the Lifelong Learning Sector. Once learners have completed PTLLS they can continue to complete 7304 CTLLS. CTLLS is a second level teaching qualification for candidates who need to build on and extend the skills and knowledge gained in the 7303 course, which supports candidates to progress to the full Diploma. For those teaching at least 30 hours over the duration of the course, this qualification enables candidates to meet the requirements for the Institute for Learning's Associate Teacher Status. In addition to completing a number of set assignments, candidates on this course will also have their teaching observed. CTLLS provides 24 credits towards full Diploma in Teaching in the Lifelong Learning Sector.

This "pick and mix" course supports the achievement of 7303 and/or 7404 qualification pathways. Interviews will be arranged on receipt of completed applications.

TAQA Training and Assessor qualification (previously A1)

We offer four workshops per course twice a year each academic year, starting in September and February. Candidates are expected to already have suitable learners to assess on either accredited learning programmes they will then be supported in their evidence collection through individual tutorial and observation visits by the course tutor. For workplaces with significant number of candidates for this course in one location, we may be able to offer bespoke courses delivered on their premises. In addition to this we can offer a flexible delivery model for candidates who need to achieve this qualification within a short timescale.

Quality Assurance qualification (previously V1)

This is a flexible delivery model with dates/times available on application and interview. As candidates for this course will have greater assessing expertise and experience, the course is supported by workshops followed by individual tutorials & observations by the course tutor.

Working with Parents, City & Guilds 3598 Level 3 Award/Certificate

This new sector specific qualification is aimed at staff working within children and family services both in the public and voluntary & community sector, in particular staff working in children's centres and extended services. It aims to equip individuals working with parents with the essential skills and knowledge required to support parents in their parenting role and to help them to improve their understanding of their children's social, emotional, intellectual and physical needs and the context of family life. There are no formal entry requirements but candidates must have access to parents in a formal or informal setting and be able to demonstrate that they are able to work at this level.

GOOD NEWS

Two learners attending the Next Steps in IT at Ossett School have shown it is never too late to return to Adult Education to improve your learning

Karen Smith who attended Ossett School as a child had real reservations about returning to education as a mature learner. She said she was really frightened about returning to the school to do an IT Course but was determined to overcome her fears to improve her IT skills and also improve her job prospects. This determination has paid off and after successfully completing her First Steps in IT course she is now currently half way through completing her Next Steps in IT which will give her a recognised IT qualification when she complete she course in March.

With her newly found confidence in using the PC Karen has also successfully secured herself a part time position in a nursery school in Ossett as a Teaching Assistant.

Well done to Karen who has made excellent progress since September and the tutor Gilly Asbury is really proud of her achievements.

Ruby Davy who has attended the courses run at Ossett School since September is 84 years old and an inspiration to her tutor Gilly Asbury.

Ruby has a real interest in IT and her contributions to the sessions have made a real difference to the class. Ruby has bought herself the latest version of Office 2010 and is now using this at home outside of the classroom to practise her skills. Ruby uses email to keep in contact with her friends and family and also uses the Internet to purchase goods online. Each week Ruby's confidence is growing. When not 'surfing the net' Ruby attends Keep Fit sessions at Ossett Community Centre and also at St Swithuns.

St Swithun's Centre Presentation Evening Literacy Class Reunion

Seven learners from last year's Literacy class at St Swithun's enjoyed a reunion on Monday 22nd November at the St Swithun's Presentation evening. It was the first time that they had all met since last June, as some have now progressed to other classes and courses.

The Presentation - an annual event at St Swithun's - was a much appreciated opportunity to catch up, and to meet each others' friends and family members who had come to support and enjoy the occasion.

Cllr. Olivia Rowley presented certificates to the many Wakefield Adult Education Service learners who were

able to attend, and congratulated them warmly on their varied achievements. She paid tribute to their hard work and commitment, and wished them every success in the future.

The learners collected their certificates in the range of courses available at the Centre - such as Literacy, Numeracy, ESOL (English for speakers of other languages) and a variety of arts, crafts and IT courses.

After the presentations, photographs were taken, refreshments were served and the conversations flowed. Learners on this year's courses can look forward to taking part in this great occasion next year!

Access to courses for learners with learning difficulties and/or disabilities

We will do our best to ensure that you have access to the courses which interest you. For example, we have a range of assistive technologies, such as keyboards with large keys, to improve access to the use of computers; in some cases we are able to provide additional support in the classroom; our centres have loop systems and special parking arrangements are available on request.

Help us to support you by speaking to staff about your particular needs including providing this brochure in large print or Braille and by completing the disability Section 3 on the enrolment form.

The Manygates Education Centre has a textphone; please ring if you require further information about anything in this brochure.

For further information please ask for a copy of our Disability Statement, "How We Help Disabled Students", available from your local centre, or from the Manygates Education Centre.

GOOD NEWS

**Keep Fit Learners, supported by
tutor Cath Smart**

**Kinsley & Fitzwilliam
Community Centre**

I enjoy coming to keep fit because the exercises give me a buzz and more energy they also keep my muscles and joints flexible.

M England

The class I attend is on a Monday morning with Cath. I have been coming to this class for about 3 years. When I first started I came in my wheelchair as I was reluctant to walk but in the last 3 years my mobility has improved so much that I no longer use a wheel chair and now roughly manage 20 minutes walking over the period of the hour class.

D Brown

I have spinal problems and the keep fit for the mature helps me to be more mobile. Also living on my own meeting people is a great help to me.

June

We enjoy attending the exercise class because we meet people from the community who are friendly, chatty and welcoming. The exercises are easy to follow and help with either our dietary or mobility plans. You can do as many or as few exercises as you like.

ACES Mission Statement

To work with our partners to create a culture in which learning is sought and valued; high standards of achievement become the norm; and where education promotes individual and community development and contributes to Wakefield's regeneration.

GOOD NEWS

Kinsley & Fitzwilliam Community Centre Learner Estelle Currie - career change

Estelle joined the NVQ Level 2 Nail Services course at Kinsley & Fitzwilliam Community Centre in September in the hope of changing her career.

Since joining Estelle has learnt amongst other things manicure and pedicure and nail art. Already Estelle is working as a mobile therapist and is aiming to offer different aspects of nail treatments as she learns nail extensions and completes her course in July.

Well done Estelle
